Perfect addition to just about every dining room or living area; a storage friendly sideboard. This traditionally styled sideboard boasts of majestic influences with a contemporary appeal. The overall dimensional design is embraced with the soft curves of the door panel fretwork. The additional light reflection that will bring a soft reflected light into your room is brought by the antique mirror panels on the panel doors. Crafted in Birch wood solids and veneers with an updated finish color lend a classic design with a nuance of contemporary color. This is the perfect addition for your room space and all of your entertaining and living storage needs.
