Applicant grants Butler Specialty Company a continuing security interest in Applicant's inventory of Butler Specialty products, together with all process thereof, to secure payment and performance of all obligations and indebtedness of Applicant now or in the future owing to Butler Specialty Company. Butler's terms of sale, net 30, will apply to all purchases made by Applicant, regardless of any different or additional terms in any purchase order or other form Applicant may send or offer.

Applicant shall pay all reasonable collection fees, attorney's fees and court costs incurred by Butler Specialty Company in the collection or attempted collection of any indebtedness applicant owes Butler Specialty Company. Applicant irrevocably agrees and consents that any action against applicant for collection of any such indebtedness may be brought in any state or federal court that is located in, or whose district includes Cook County, Illinois, and that any such court shall have personal jurisdiction over applicant for purposes of that action. Applicant agrees that the mailing of any process mail to applicant's last known address shall constitute lawful and valid service of process

Applicant agrees that the extension of credit shall be subject to and in consideration of the following terms and conditions:

1. Payment will be made in accordance with terms indicated on invoice.
2. Applicant authorizes Butler Specialty Company and its agents the right to investigate credit/banking references in regard to credit extension and maintenance.
